PROFESSIONAL EXPERIENCE

Career Development & IT Professional Transition

2025 - Now

This period of transition has permitted me to assess and refocus my career plans and future.

Focused on a structured career transition toward Level 2 IT Support and IT Technician opportunities:

- Updated my technical resume, LinkedIn profile, and job-search strategy through career-development workshops
- Strengthened my knowledge of current IT support practices, emerging technologies, and AI-assisted productivity tools
- Continued professional development in Windows, Microsoft 365, Active Directory, endpoint support, networking fundamentals, and customer service
- Prepared targeted applications and interview materials for bilingual IT support roles in the Montreal area
